## *HISTORY*

*A little bit about us and where we came from!*

*Welcome to the Kanata Archery Club website. Who would have known that after 23 years in operation the club would still be going strong!*

*Our club began back in 1985 and was originally called the "Kanata Fish and Game Club". After being taken over by a dedicated group of individuals in April of 2005 the club is now known as the Kanata Archery Club.*

*Allot of hard work and devotion by the new executive team has pushed the club to new heights. Our range now offers, in the upper field of our property, 10, 20, 30, 40, and 50 yard butt targets. We have also put together a wonderful 3D course offering 15 new 3D targets in a wide range of shooting settings.*

*As we are always looking to offer more to our club members, two of our executive team have now received their N.C.C.P. Certification for training and have begun offering lessons to individuals of all ages.*

*So if you're looking for a sport that won't break the bank, provide you with an opportunity to learn and better yourself and just an all around good time then give us a chance and I'm sure you won't be disappointed.*

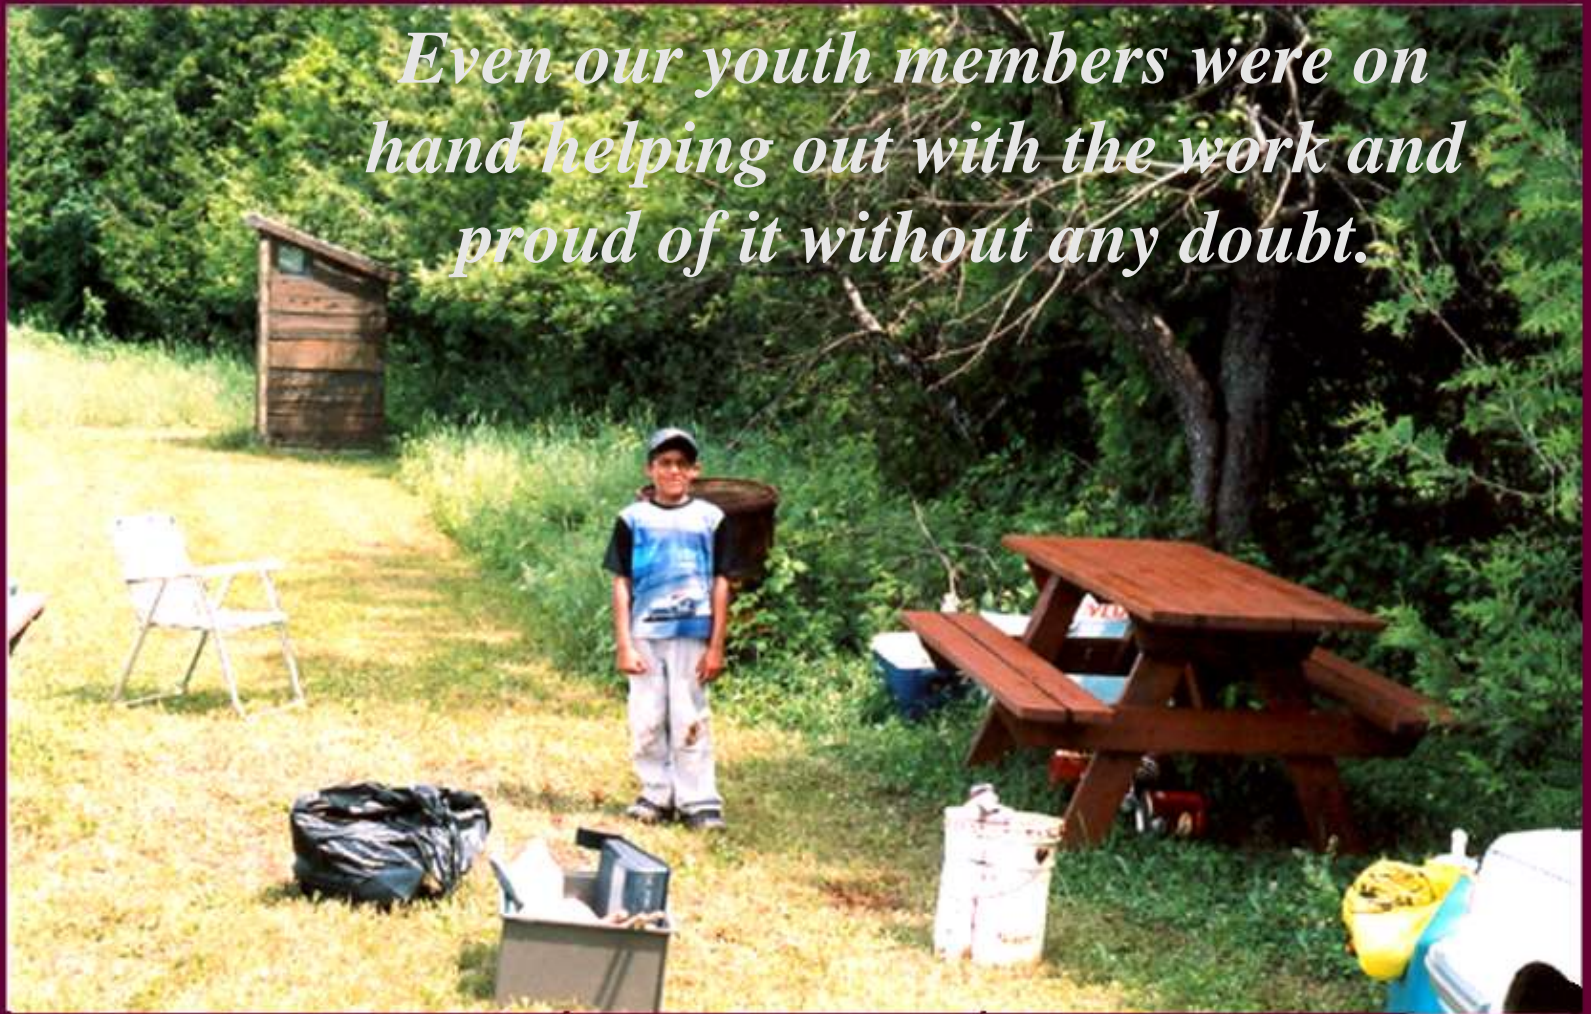

*Working together.*

*Jobs to do. The Boss taking charge of painting and staining crew. Painted picnic tables, Kybo etc.*

*Even our youth members were on hand helping out with the work and proud of it without any doubt.*

*New bridges to cross creek along 3D trail.*

*New Butt Targets 2012 (10, 20, 30, 40, 50) Yards*

Broad Head  
Sand Box 25 yards

*Outdoor Range – Training Area
